

Travel Between Middle & Senior Site Consent Form

EASTERN GOLDFIELDS
Education Support Centre

Dear Parents/Guardians,

Our school is split over two school sites with Years 7 to 10 based at our Middle School site shared with Kalgoorlie Boulder Community High School (KBCHS) and Years 11 to 12 based at our Senior School site shared with Eastern Goldfields College (EGC).

Students attending the Middle School site access some of the KBCHS facilities including use of shared areas, the gymnasium, cooking rooms and canteen facilities. Students attending the Senior School site at EGC share some of the facilities with EGC, Central Regional TAFE and Curtin University including the classroom areas, toilets, hospitality rooms, cafeteria facilities, Goldfields Arts Centre, Kingsbury Park, and the Lord Forrest Olympic Pool Area.

For educational programs and other reasons, students are required to travel between our two school sites at different times during school days each week. The transport modes may include the following: school buses, taxi, department-approved hire cars, staff member's car, and public and commercial buses. Students are appropriately supervised and accompanied at all times by school staff.

We are seeking permission for your child to travel between the Middle School and Senior School sites under these conditions.

Yours sincerely

Mrs Mary-Ellen Pilason
Principal
